

ILLINOIS ENERGY CONSORTIUM NATURAL GAS WORKSHOPS

Please make plans to attend one of the upcoming **Illinois Energy Consortium Natural Gas Workshops** being held throughout the State of Illinois.

The IEC is a *not-for-profit*, joint energy purchasing consortium sponsored by the **IASB, IASA, and Illinois ASBO**. The IEC helps its members control energy costs and aids in achieving budget goals.

Workshop topics covered:

- **Member Benefits:** What are the benefits you will realize as a member of the large **40 million therm** IEC state-wide natural gas pool?
- **IEC's New Natural Gas Program Options:** You select the IEC program option, *from total hands-on involvement to hands-off automated programs*, that best suits your specific budgetary goals and objectives.
- **Market Update:** Learn about the key factors that will influence 2010-2011 natural gas prices and your budget.
- **Utility Rates Cases:** How will the proposed local gas utilities rate increases impact your natural gas costs now and in the future?
- **EnerPro®:** IEC's complimentary online energy management tool designed to bring your facilities usage information directly to your desktop.

Please bring a recent utility natural gas bill for each of your facilities as your ticket to enter IEC workshop.

Register today! Attendance is complimentary, but seating is limited. Beverages and snacks provided.
